CAREER OBJECTIVE :

To pursue a dynamic and challenging career with an organization of repute, which gives value addition to the organization as well as offers opportunities to enhance professional skills while getting a high level of satisfaction and recognition.

EDUCATION :

- 10th from CBSE (CGPA = 7.0) passing year 2012.
- 12TH from CBSE. (60.16% in Commerce) passing year 2014.
- B.com from Delhi University SOL. passing year 2018
- MCA from LPU (Lovely Professional University) distance CGPA is 7.28.

INTERPERSONAL SKILLS :

- Ability to rapidly build relationships and set up trust.
- Confident and determined.
- Ability to cope with different situations.

PROJECTS :

1. In my first project I got annual raw data of the Vrinda store and then visualized it and created a dashboard from it and get some insight from it for example - comparing gender ratio on yearly sales and top 3 states on behalf of profit ratio, etc with the help of MS excel (using pivot table and other statical formulas).
2. Create front-end interface of Amazon and Spotify websites using HTML and CSS.
3. In the MCA project create a website (vogueLocus) front-end interface. A shopping website for connected customers to the latest trends and fashion.
